The Trustees' Report for the period from 1 November 2020 to 31 October 2021

The Trustees of The Warburg Charitable Trust, "the Trust" are pleased to present their Annual Report and Financial Statement for the year ended 31 October 2021.

The Trustees, who are also directors under company law, confirm that the financial statements comply with current statutory requirements, the memorandum and articles of association and the Statement of Recommended Practice - Accounting and Reporting by Charities: SORP applicable to charities preparing their accounts in accordance with FRS 102

Structure, Governance and Management

Governance and Management

The Trust is a charitable company limited by guarantee, incorporated on 7 October 1998 and registered as a charity on 20 June 2005.

The company was established under a Memorandum of Association, which established the objects and powers of the charitable company, and is governed under those Articles.

The members of the Board of Trustees are elected for three years at the Annual General Meeting (AGM).

Objectives and Principle Activities

The charity's purposes, as set out in the objects contained in the company's Memorandum of Association, are the advancement of education in the history of the classical tradition of the arts and sciences, in particular but not by way of limitation by supporting the activities of the Warburg institute, by such exclusively charitable means as the trustees shall from time to time determine.

We review our aims, objectives and activities at trustee meetings. The review looks at achievements and plans future outcomes. We produce reports on key achievements and the benefit that they have brought to those groups of people that we are set up to help. The review also helps us to ensure that our aims, objectives and activities remain focused on our stated purposes.

Public Benefit

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

Recruitment and appointment of the Trustees

The directors of the company are also charity trustees for the purposes of charity law, and under the company's Articles. All members of the Management Committee give their time voluntarily and receive no benefit from the charity. Any expenses reimbursed to trustees by the charity are set out in a note to the accounts.

Organisational Structure

The Warburg Charitable Trust has a Committee of up to 9 members (retrospectively amended to 10 trustees at the AGM in June 2022), who meet when required during the year and are responsible for the strategic direction and policy of the charity.

Risk Management

The trustees actively review the major risks facing the charity on a regular basis. They have established systems and procedures to mitigate those risks identified and implemented procedures designed to minimise any potential impact on the charity should those risks materialise.

The trustees review the organisation's financial situation and the resources available to the organisation.

Procedures are in place to ensure the health and safety of staff and visitors to the organisation.

Financial Review

Investment Policy

The policy of the Management Committee is to place surplus funds into an interest bearing account whilst maintaining sufficient funds in a current bank account to cover immediate liabilities.

Reserves Policy

The Trustees has considered its reserves policy in light of the main risks to the organisation. The committee recognises that the organisation needs to have sufficient reserves to allow it to cover known liabilities and contingencies, absorb setbacks and take advantage of change and opportunity.

Small Company Exemptions

This report has been prepared and delivered in accordance with the provisions of Part 15 of the Companies Act 2006 applicable to companies subject to the small companies' regime and with the Charities Statement of Recommended Practice (FRS102).

Approval

This report was approved by the trustees on 25/07/2022 and signed on their behalf by:

FINANCIAL STATEMENTS REPORT

The Warburg Charitable Trust had an active and successful year. Having transformed the number and nature of its trustees in the previous year, the group has made major strides in raising both the profile of the Warburg Institute and the funds needed for the 'Warburg Renaissance' capital project.

Despite the ongoing challenges introduced by both the Covid-19 pandemic and Brexit, the year saw a number of major initiatives that improved the visibility and sustainability of the Warburg Institute. One major activity funded by the trust saw the creation of the full virtual tours of two international exhibitions: *Aby Warburg: Bilderatlas Mnemosyne* and *Between Cosmos and Pathos: Berlin Works from Aby Warburg's Mnemosyne Atlas*. The virtual tours enabled visitors to explore the content of both exhibitions online and consists of over 100 viewpoints created from over 1000 high-res photographs, alongside audio and video commentaries with directors, curators and experts.

More broadly, we continued to increase the profile of the Warburg Institute by supporting and sponsoring the Communications campaign carried out by Four Communications.

Most importantly, the Trust coordinated the ongoing fundraising efforts toward the 'Warburg Renaissance,' attracting several major donations taking us close to the £5m target for that project.

Finally, in the year ended 31 October 2021, the Trust awarded £61,308 in student bursaries.

We are grateful to our many friends, alumni and donors for their support and hope for a healthy and successful year ahead.

Christopher Rossbach, Chair

INDEPENDENT EXAMINER'S REPORT

I report on the accounts of the company for the year ended 31st October 2021 which are set out on pages 7 to 12.

Responsibilities and basis of report.

As the charity trustees of the company (who are also the directors of the company for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**Notes Forming Part of the Financial Statements
For the Year Ended 31st October 2021**

1. Accounting Policies

- a) The accounts are prepared in accordance with the charity's memorandum and articles of association, Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102), and the Companies Act 2006. The charity is a Public Benefit Entity as defined by FRS102.

The accounts are prepared in sterling, which is the functional currency of the charity. The accounts have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

b) Incoming Resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Donations are recognised on receipt.

c) Resources expended

The expenses classified as 'Charitable Activities' are those directly attributable to the general objects of the charity. 'Raising funds' are those expenses incurred in seeking funding for the charity. 'Governance costs' comprise all costs incurred in governing the charity.

d) Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Fixed assets with a useful life greater than one year and a purchase price exceeding £500 are capitalised, and depreciated over its expected useful life, usually 4 years.

e) Charitable funds

Unrestricted funds are donations and other incoming resources receivable or generated for the objects of the charity without further specified purpose and are available as general funds.

Designated funds are unrestricted funds earmarked by the Trustees for particular purposes.

Restricted funds are to be used for specific purposes as laid down by the donor. Expenditure which meets these criteria is charged to the fund together with any other costs agreed by the donor.

For the Year Ended 31st October 2020**

1. Accounting Policies (Continued)

f) Resources Expended:

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include audit fees and costs linked to the strategic management of the charity.

Costs relating to a particular activity are allocated directly. Other costs are allocated on an appropriate basis such as staff time or estimated usage.

g) Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held on call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

h) Financial Instruments

The charity has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

2. Critical Accounting Estimates and Judgements

In the application of the charity's accounting policies the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period or in the period of the revision and future periods where the revision affects both current and future periods.
